AC MANNING

TOUR OF PENDLE 1983?

The total number of entries received this year for both races was 330, of which 185 started the full tour and 88 the half. Although the half tour finished before the mist and 'clag' set in, the latter part of the full tour did not escape, resulting in some competitors getting lost and various checkpoint marshalls' recording sheets becoming soggy.

Whilst the section around Stainscomb had to be omitted, following complaints from the farmer of excessive numbers of people training over the pasture land prior to the event, the eventual course, which was almost the same as last year's, provided a sufficient test of endurance to warrant a long A categorisation. It is hoped that this will now remain the set course for the race.

It would appear from the results that Dave Cartridge and Shaun Livesey had a right old battle for the main race, with Dave only getting away on the run in. Congratulations to the other winners, especially Linda Lord and Rossendale, upon retaining their respective titles. In the half tour, Konrad Manning of Clayton excelled himself, winning the race, the under 19 section and producing the best performance by a Pendle and Burnley runner to win the Clifton Timber Trophy. As last year, the first three finishers in the half will again be ineligible to compete again in this race.

All things considered, the event proved to be a resounding success, but without the help of the thirty-odd Clayton members and friends, who marshalled the course, processed the results and fed us, the event would be a non-starter. It is to these people that I wish to express a big thank-you as I also do to the Rossendale Mountain Rescue Team, the St. John's Ambulance Brigade and to the many sponsors, as listed below, for donating prizes:-
