I would like to thank all the Clayton helpers, too numerous to mention individually, with whom it would have been impossible to provide such a detailed result sheet. The checkpoint positions are slightly out for Ch's 2 & 4 - the remainder are probably correct. As you can see, times are given in the full tour for checkpoints 5,8 & 9 - unfortunately there just is not enough room to provide more!

Due to the glorious weather the services of The Rossendale Fell Rescue Team & St. John's Ambulance were not called upon nevertheless, thank you very much for turning out - your assistance is most appreciated. Thanks as well to Whitbread West Pennines & The Hairforce Hairdressing Salon for donating some of their products.

The races themselves were both keenly contested and it was good to see Dave Hall winning something. The first 3 finishers are now banned from running in the half tour again altho if M Fanning of Keswick is too young to be eligible to run in the full tour the rule will be waived in his instance.

Next year's race will be on the first saturday in October and will be the final counter in the new English Championship.

John Beade
