Congratulations to Lloyd winning in fine style and knocking 55secs off the record. Congratulations to Jackie following up from last years second place with a win this year. Also congratulations to Ken Taylor winning the Vet 60 category in a new record time. This was the largest field we have ever had, 287 started and 271 finished. Thanks to all the marshalls on the course and at the finish, they make everything run smoothly and their humour lasts all day. Also thanks to Pete Bland Sports for the numbers, pins and generous sponsorship of the prizes. Next years race will be on 15th November, the village hall is already booked. Thanks for buying all the soup, Audrey bought all the stuff based on my guess on how many runners there would be and she said she would tip it over my head if she did not sell it.

Finally, on a more sober note, I was told after the race that a lot of litter had been dropped on the course, well this is just not on, its never been a problem with this race before, if you have any wrappers or bottles its so easy to put them down your vest and take them home with you. Litter comes from individuals, make an effort to remember and do not be that person. You could be putting the future of this race in jeopardy. If you dropped any, how about going back on Saturday and picking it up.

Lost property: Purple cardigan, pair of blue gloves, grey Thinsulate hat and an inhaler. Please phone if you want them back.

All the best for Christmas and the New Year,
Kieran & Doreen.
