We would like to express our very grateful thanks to the many people who generously assisted in the organisation of this inaugural event. We have been almost overwhelmed by the enthusiastic response from every organisation and individual whom we approached in connection with the race, which finally culminated in a cheer for Ricky Wilde's victorious sprint louder than anything heard at Peel Park since the heady days of Accrington Stanley, Third Division North. The people listed below have all done us proud, but most important of all are the runners who gave us such a fine show. Our thanks to you all.

Bob Mitchell, Mick Raine,
Clayton-le-Moors Harriers.
